

## Preamble to the Eta Kappa Nu Constitution

That those in the profession of Electrical Engineering who, by their attainments in college or in practice, have manifested a deep interest and marked ability in their chosen life work, may be brought into closer union so as to foster a spirit of liberal culture in the engineering colleges and to mark in an outstanding manner those who, as students in Electrical Engineering, have conferred honor on their Alma Maters by distinguished scholarship, activities, leadership, and exemplary character and to aid these students to progress through association with alumni who have attained prominence...
